

Description

The American Chamber of Commerce in Belgium (AmCham Belgium) is the undisputed leader in improving business and investment opportunities for the US-Belgian business community. AmCham Belgium represents an investor community of 1,800 US entities in Belgium, employing 300,000 people.

Advertising Environments

www.amcham.be

provides the gateway to a comprehensive collection of industry information, exclusive documentation, as well as information on the Chamber and its activities.

AmCham Connect, our electronic newsletter provides the latest information updates on the Chamber's policy shaping, networking and knowledge sharing activities and successes to around 9.000 decision makers.

Audience

High level decision makers of American, Belgian and international companies in Belgium, the Press, Federal and Regional Governments, Industry & Trade Associations, Employers' Organizations, Academic Community, Member Employees and General Public.
