

# US Forum

2026

The US Forum is AmCham Belgium's network for senior leaders responsible for US strategy, expansion, or operations.

US Forum members exchange insights, learn from peers, and engage with institutions shaping the US business environment.

## WHAT THE FORUM OFFERS:

### PEER EXCHANGE

A closed setting, under Chatham House Rule, where members share experiences, challenges, and best practices on operating in the US market

### EXPERT BRIEFINGS

Subject-matter experts on US regulatory developments, trade & customs, market entry, immigration, and the evolving US political landscape.

### ACCESS TO US STAKEHOLDERS

Direct engagement with the US Embassy in Belgium, including its commercial and political-economic teams, and other relevant US institutions.

### MEMBER-LED

The program is developed in close consultation with members, ensuring discussions remain relevant and actionable as priorities evolve.

**BRUSSELS-BASED**

**MEETINGS EVERY 6-8 WEEKS**

**CHATHAM HOUSE RULE**

## TOPICS DISCUSSED:

- US regulatory & policy developments
- Trade, tariffs & customs
- Market entry & expansion
- Immigration & visas
- US political & economic landscape
- Peer exchanges & company testimonials

## WHO IS IT FOR?

Belgian-headquartered companies with existing US operations or an active interest in entering the US market.

Participation is open to AmCham Belgium Corporate members\* at the C-suite or senior executive level with responsibility for US strategy, expansion, or operations.

## WASHINGTON D.C. DOORKNOCK

Subject to member interest, the Forum may coordinate a Washington D.C. Doorknock. Doorknock participants will take part in a structured, multi-day engagement featuring face-to-face meetings with US government officials, agencies, and business organizations in Washington D.C.

\*During the Forum's start-up phase, Small member companies may participate under a grandfathering provision. Effective January 1, 2028, these companies may upgrade their membership in order to remain active.
